

# UNPASS

UNLIMITED PASSION

DG21 makes it easier to clean stubborn tar and bitumen stains.

Thanks to its physical properties, DG21 dissolves them very quickly.

DG21 also removes old tar and bitumen stains from your car.

DG21 is an extremely effective tar remover suitable for all types of surfaces: rocker panels, rims, hubcaps, exhaust tips, etc.

DG21 leaves no residue.

DG21 can be used on dry or wet surfaces.

**DO NOT USE ON HEADLIGHTS.**

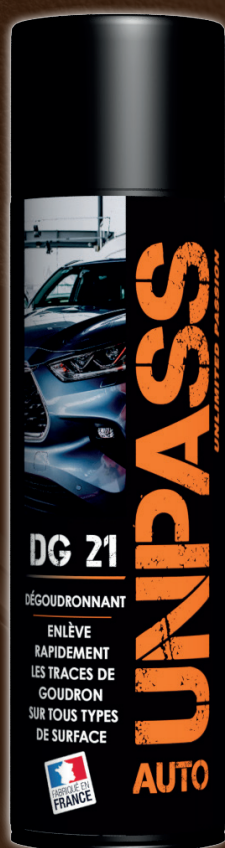

## DG21

**TAR REMOVER**

**QUICKLY  
GETS RID OF  
TAR RESIDUES  
ON ANY TYPE OF  
SURFACES**

**CAR**

**400ML**

### DIRECTIONS FOR USE

- First, make sure the surfaces to be treated are not hot.
- Shake well before use.
- Spray DG21 on the surface to be treated.
- Leave to act for a few seconds, allowing time for the dissolution to take place..
- Wipe gently with a microfiber cloth or a soft cloth.
- Rinse.
- Repeat the process if necessary.

CAUTION: Depending on the quality of the paint, varnish, and plastics, it is recommended to test on a small, inconspicuous area first to ensure the surface condition is preserved.
